# ClipCombo™ For PET Bottles

The ClipCombo™ runs both premium and minimal material paperboard clips as a standard option, allowing brands to differentiate their products. A proven technology concept, stemming from the Cap-It™ G3 equipment, ClipCombo runs at high speeds, no matter the type of pack style being run, with easy and quick changeovers. The ultimate in flexibility and future-proofing, both the Cap-It™ and EnviroClip™ cartons, provide a sustainable, recyclable and comfortable solution for multipacking PET bottles.

## Machine Features

### Standard
- Servo Driven
- 10 ft (3m) 5000 carton powered magazine
- Three head rotary feeder with stop motion pick and radial carton path
- 10 ft (3m) two lane infeed conveyor
